Panzyga 10g Available
Customer Letter # 2020-35

2020-07-22

Dear Colleagues:

Canadian Blood Services' plasma protein portfolio will include an additional format of Octapharma's Panzyga®, Immune Globulin Intravenous (Human), 10%. Panzyga 10g will complement the other vial sizes currently available for order.

Orders may be placed for Panzyga vial sizes: 5g, 10g, 20g and 30g.

Revisions have been made to the following and information can be found at www.blood.ca in the "Hospital Services" section.

- Plasma Protein Products – Customer Table of Information
- Volume Expanders / Immune Globulins and S/D Plasma Order Form

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at www.blood.ca in the "Hospitals Services" section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

Mark Newburgh
