## Electronic Fillable Patient Requisition Forms

Customer Letter # 2020-39

---

2020-09-01

Dear Colleagues:

We have updated the following patient requisition forms to include electronic fillable format:

- **British Columbia & Yukon:** Diagnostic Services Antibody Investigation Request Form (F801802)
- **Edmonton:**
  - Request for Serological Investigation (F801897)
  - Request for Patient Blood Group Genotyping (F801221)
  - Request for RHD Genotyping (F801723)
  - Demande de génotypage RhD (F801723FR)
- **All Diagnostic Services Sites:** Patient Request for Anti-IgA Testing (F800014)

The electronic fillable forms will be available on <https://www.blood.ca/en/hospital-services/laboratory-services> starting August 24, 2020.

Customers will be able to complete the form online, print and send the form with the sample. Alternatively, customers can follow the current process to print out a blank form and complete it manually.

Please share a copy of this customer letter with healthcare professionals at your hospital who might require this information.

This customer letter can also be viewed at [www.blood.ca](http://www.blood.ca) in the “Hospitals Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.
