Changes to Labelling on Back of Plasma Components

Customer Letter # 2020-49

2020-12-07

Dear Colleagues:

Effective January 11, 2021, we are removing the labels from the back of our plasma containers. These labels were designed for our plasma fractionators who no longer require them so we'll be removing them from our Donation Number Label Set. All other labelling will remain the same.
