Octagam® 10% Availability

Customer Letter # 2021-14

2021-02-17

Dear Colleagues:

Canadian Blood Services is pleased to announce the availability of Octagam® 10% Immunoglobulin Intravenous (Human). This additional Ig supply aligns with the projected share splits as communicated in the Customer Letter [2020-50](#). It is important that customers follow the new share splits and are prepared to issue all IVIg brands and vial sizes on our order form. Further details regarding Octagam® 10% can be found in the enclosed letter dated February 10th, 2021 from Octapharma Canada Inc. along with the product profile.

Starting the week of March 8th, 2021, customers may place orders for all sizes of Octagam® 10% as listed in the table below except Octagam® 10% **2g**. **Octagam® 10% 2g** will be available the end of March, 2021.

CBS Code	Product/Manufacturer	Vial Size
1000108015	Octagam® 10%, Octapharma	2g
