Bacterial Test Result Notification to Hospitals – New Form

Customer Letter # 2021-22

2021-04-19

Dear Colleagues:

Further to Customer Letter # [2021-16](#) *Follow-up of Canadian Blood Services Platelet Bacterial Testing Results*, a new form, *Bacterial Testing Results Notification*, has been developed to communicate bacterial testing results. Starting Monday June 7th, 2021 this new form will replace the *Consignee Notification* and *Culture Bottle Results* form that is currently sent.

An example of the new form is attached for your information.

Please share a copy of this customer letter with healthcare professionals at your hospital who might be interested in this information.

This customer letter can also be viewed at www.blood.ca in the “Hospitals Services” section. If you have questions about this letter, or if you require it in an accessible format, please contact your local hospital liaison specialist.

Sincerely,

David Howe, Director, Supply Chain Process Management
